## Over Forty Years of Success

Educo Adventure School was founded in 1969 and has consistently provided young people with wilderness adventure experiences that have greatly influenced their lives.

Our well-maintained base camp is nestled on the shores of Little Holden Lake, 22 kilometres west of 100 Mile House in the heart of British Columbia.

"I had fun!" is the most common comment from students leaving Educo. Many young people see Educo as a highlight in their year and look forward to returning. Please visit our website at [www.educo.ca](http://www.educo.ca) for more information.

**EDUCO ADVENTURE SCHOOL** is run by **EDUCO CANADA**, a non-profit and registered charitable educational organization which gives tax-deductible receipts for all donations. Through The Educo Student Fund we are able to offer financial assistance to students who cannot afford the full cost of an Educo program. It is an opportunity for students to develop their personal leadership as the questions deepen and the challenges grow. In a co-ed group, conversations about gender, community, learning and leadership will be the focus. Finding ourselves in the unknown, the discovery course aims to reach places in ourselves and the world yet unexplored. This course is co-ed.

## Leadership / Ages 16 to 19

"Step into Your Leadership!" This course provides challenges and experiences designed to powerfully draw forth leadership skills needed in today's society. This course focuses on personal leadership development and help the students develop an awareness of their unique leadership style. It also introduces students to the "soft skills" of leadership, such as group dynamics, effective use of facilitation styles, and group communication skills. The Leadership I course invites students to ignite their leadership abilities by stretching themselves in more ways than ever. Responsibility, creativity, and inspiration are touched on while students explore mountains, lakes, rock, and ropes from an entirely different perspective. An additional application, available at the Educo office, is required for this course. Students will be chosen based on their applications and must have completed at least one Educo Senior course or have shown interest in developing their leadership skills in other settings. This course is co-ed.
