LEAVE YOUR WATCH, WALLET, JEWELLERY & OTHER VALUABLES AT HOME

NOTE: Please make every effort to bring as much wool, polypropylene, fleece or thinsulite clothing as possible. Although it is summer it can get very cold in the mountains and these fabrics will provide warmth even when wet. Suitable woolen clothing can often be found in second hand stores quite cheaply. Polypropylene, fleece and thinsulite can be found in backpacking and other sports stores.

***RAIN GEAR:** Cheap plastic raingear is NOT suitable. It gets caught in trees and shrubs and is usually in shreds after the first two hours of rain! Heavy rubberized or coated nylon is great and will stand up for years. NO PONCHOS.

+BOOTS AND SOCKS: Expensive hiking boots are NOT necessary. Light weight hiking boots with lots of ankle support are ideal. Leather or synthetics are suitable. It is very important to break in the boots and water proof them. Blisters from new boots are our biggest first aid problem. New wool socks are springy and provide cushion when walking long distances; old socks lose their springiness. Liner socks under heavy wool socks help prevent blisters.

ENTERTAINMENT: Musical instruments are most welcome. Walkmans, iPods, radios and video games are NOT allowed.

POCKET MONEY: Students do not need any spending money during the course. \$30.00 to \$55.00 is sufficient for buying Educo outerwear and purchasing photos at the Open House. Your money will be held in security for you during the course.

NAME TAGS: All clothing & equipment must be identified with a tag or indelible pen.

RENTAL EQUIPMENT: Intro to Junior Students only require a warm, cozy sleeping bag (compared to older students requiring a sleeping bag, sleeping mat and expedition backpacks). IF YOU WOULD LIKE TO RENT A SLEEPING BAG, PLEASE CONTACT OUR OFFICE ASAP. Sleeping Bag Rentals (per course): \$25.
