Traveling to Educo

Driving from 100 Mile to the Educo site:

Once in 100 Mile House turn west on Exeter Station Road (3rd stoplight if you are coming from the south and 1st stoplight if you are coming from the north). Follow this road over the railway tracks where you turn left and go up the hill onto the gravel road. Follow this road straight over the cattle guard. You are now on the 1100 road (Gustafsen Lake FSR) and will begin to see signs marking the kilometers (11-01, 11-02, etc.). Stay on this main road until you pass the 11-14 marker. Just past the 11-14 marker you will come to the Educo driveway on your left. Follow it to the site. You have arrived!
